A magical restaurant :

My restaurant is a magical restaurant from the outside. My restaurant is a shed but inside is a big restaurant. My restaurant is one of the most prestigious. The greatest wizards and witch go to my restaurant.

My restaurant from inside

My restaurant from the outside

In my restaurant tables and chairs will store and move alone. There will be no more servers because the dishes will arrive from the sky.

The restaurant kitchen can change shape to cook.

A food in restaurant is typical of the magical world exemple : eyes of spyder, roast chicken or frog legsbut the specialty of the restaurant is a dessert, a spider cake with cream. Finally customers' favorite drink and snake venom
